SPECIFICATIONS

DIMENSIONS

Every effort has been made to ensure that the contents of this publication were accurate and up-to-date at the time of going to press (April 1996). However, with Vauxhall's policy of continuous product improvement, the company reserves the right to change specifications and make modifications to the vehicles described and illustrated at any time. Vauxhall cars are equipped with components manufactured by various General Motors operating units and outside suppliers. Any alterations affecting the description and illustrations in this publication will be notified to Vauxhall dealers at the earliest opportunity. Please consult your Vauxhall dealer for the latest information. The colours reproduced may vary slightly from the actual paint colour or material due to the limitations of the printing process. It should be noted that Vauxhall dealers are not the agents of Vauxhall Motors Limited and are not authorised to bind the company by any specific or implied undertaking or representation.
